MEMORANDUM FOR: General Cushman

SUBJECT: General Keith McCutcheon's Desire to Obtain
a Copy of the Film, "The Battle of Algiers"

1. General Keith McCutcheon wrote you asking if it would be possible for him to get a copy of the French film, "The Battle of Algiers," which was shown him during his Agency briefing before he went to Vietnam. General McCutcheon felt that the film would be useful for orientation of his troops.

2. The Agency's copy of the film was obtained on a 3-year lease (cost - \$700), but the copyright laws prevent us from making a copy for General McCutcheon. [redacted]

[redacted] The movie is on 16mm black and white film.

3. General McCutcheon said that he had placed a request for a copy of the film with [redacted] but [redacted] claimed not to have received a reply to his question. FE Division records show that [redacted] relayed General McCutcheon's request to Headquarters. He was informed in March that copyright restrictions prevented the Agency from furnishing the General with a copy of the film.

4. U. S. rights to the film are owned by Fleetwood Films, Inc., 34 MacQuesten Parkway South, Mount Vernon, N. Y., 10550. It is now available with an English-language sound track.

5. I understand that the USMC authority responsible for procurement of motion picture film is: Hqs USMC, Asst. Chief of Staff, G-3, Attn: Chief, Combat Pictorial Branch (Col. R. L. McDaniel), Building 159E, Washington Navy Yard; telephone 11-32616.

6. Attached for your consideration is a note informing General Van Ryzin of General McCutcheon's request and where copies of the film can be obtained.
